

PLAN YOUR TRIP

EAST MULTNOMAH COUNTY

Become immersed in the world of the Cascades, smitten by green pastures and rolling farmland, or awed by the primordial forces that carved the Columbia Gorge and forged that astonishing landscape.

Out here, we work to sustain our nature so the generations who follow can appreciate what drew us here, too. Explore our area!

GRESHAM TO POND DE LAKES

FAMILY FRIENDLY

This family-friendly ride travels through Gresham and Fairview green spaces while riding mostly on quiet roads and car-free bike paths. Along this ride, you will see ponds, lakes, wetlands, three parks, and the scenic Columbia River. Lots to see along the way!

OPTION 1

Start your bike ride at Main City Park in Historic Downtown Gresham. Ride along the Springwater Corridor and the Gresham-Fairview Trail to Salish Ponds Wetland Park. There and back is a 12-mile bike ride.

OPTION 2

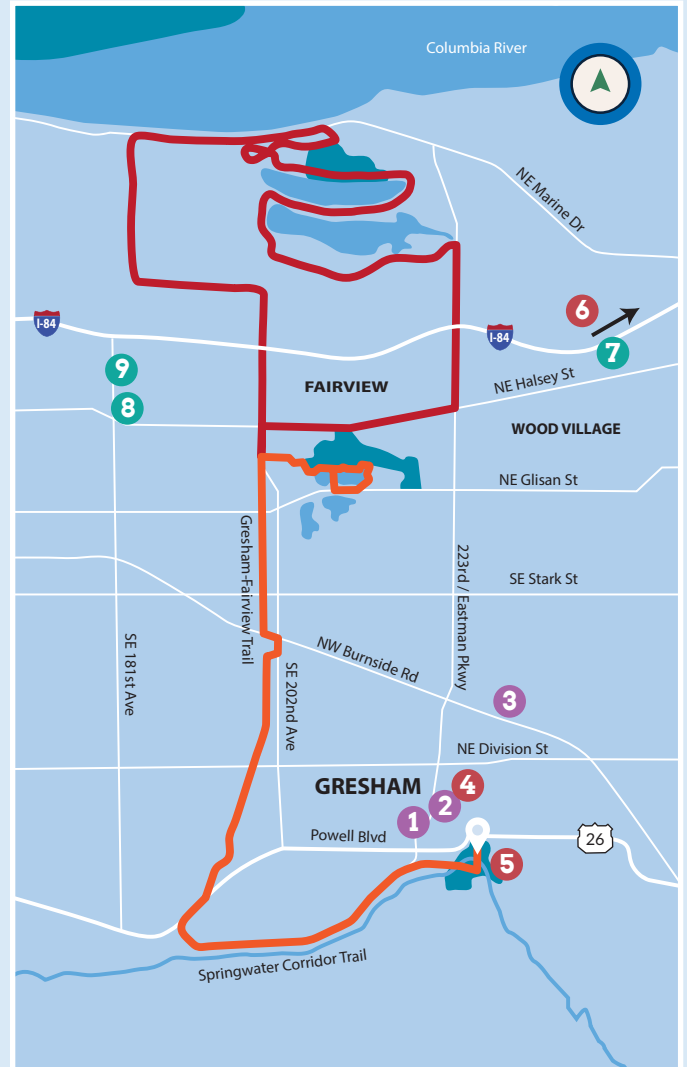

Take a trip around Salish Ponds Wetland Park, then ride north to the Columbia River. Ride along the Marine Drive bike path to Blue Lake Park and through the surrounding neighborhoods. Return the same way.

The Springwater Corridor trailhead at Gresham Main City Park.

A view of the Salish Ponds Wetlands Park in Fairview. See rising fish and fishing herons here!

Orange line: Gresham to Pond de Lakes
12 miles round trip

Red line: Gresham to Blue Lake Park
23 miles round trip
